WHY SPONSOR A MUSICIAN?

The LSO has been bringing local music lovers and musicians together for 35 years to share the experience of live symphonic music.

Orchestras bolster local economies, educate the young and old, and unite individuals across cultures. Lynchburg is fortunate to have a professional orchestra to enjoy right in our own hometown!

Do you have a favorite musician in the orchestra? Do you like the sound of a certain instrument? Why not sponsor one of our talented musicians?

Beginning at \$200, you can sponsor a musician in the orchestra, and your donation is tax deductible. The LSO is a 501c3 non-profit organization
